

[ADDITIONAL RISK DISCLOSURE]

[FASTONE GLOBAL FINANCIAL MARKETS LIMITED]

ADDITIONAL RISK DISCLOSURE

- 1) You acknowledge that trading in financial and commodity instruments and products such as Currency (Fx), CFDs, OTC Spot and Forward Contracts, Futures and Options Contracts and Other Derivatives Instruments is speculative and involves a high degree of risk, and that no promises or representations regarding profits or limitation of losses have been made by FastOne Global Financial Markets Ltd or its' employees, its' agents, associates, introducing brokers, white label partners, associated companies and group companies. Because of the complexity, only genuine risk capital should be used for trading.
- 2) No representation is made that taking education in financial and commodity instruments and products such as Currency (Fx), CFDs, OTC Spot and Forward Contracts, Futures and Options Contracts and Other Derivatives Instruments courses, paper trading or online simulated trading will increase your chances of success in trading futures. Simply because a subscriber of educational publication follows its methodologies does not mean that the customer's trading will be profitable, or losses will be limited. As a result, customer acknowledge that the high degree of risk involved in trading such Forex, CFD & other derivatives instruments is not lessened by having subscribed to materials of any educational service or paper trading and does not guarantee or assure that the customer will make a profit or limit his losses.
- 3) You acknowledge that you may receive trading recommendations by FastOne Global Financial Markets Ltd or its' employees, its' agents, associates, introducing brokers, white label partners, associated companies, and group companies, and that any trading recommendations received shall not be relied upon by you for accuracy. You must make your own independent determination as to the advisability of a particular trade or rely on the independent advice of a CTA or other account manager and experts not affiliated with FastOne Global Financial Markets Ltd. Hypothetical or simulated performance results have certain inherent limitations. Unlike an actual performance record, simulated results do not represent actual trading. Also, since the trades have not actually been executed, the results may have under-or-over-compensated for the impact, if any, of certain market factors, such as lack of liquidity. Simulated trading programs in general are also subject to the fact that they are designed with benefit of hindsight. No representation is being made and any account will or is likely to achieve profits or losses. There have been no promises, guarantees or warranties suggesting that any trading will result in a profit or will not result in a loss.
- 4) It has been widely reported that most leveraged products whether spot, forward, futures and options traders lose money. FastOne Global Financial Markets Ltd, its' employees, its' agents, associates, introducing brokers, white label partners, associated companies and group companies have no reason to believe that individuals, who subscribe to educational materials and attend courses to learn trading in financial and commodity instruments and products such as Spot Currency and other Spot Contracts, CFDs, OTC Spot and Forward Contracts, Futures and Options Contracts and Other Derivatives Instruments, attend seminars, and/or workshops perform any better than other traders.
- 5) You acknowledge that you have exercised independent judgment in selecting a brokerage firm, and that opening an account with FastOne Global Financial Markets Ltd is purely your own judgment, it is optional and voluntary.
- 6) This additional risk disclosure document is supplement to all other risk disclosure document provided to you by FastOne Global Financial Markets Ltd but does not replace any other risk disclosure given to you when opening your account.

ADDITIONAL RISK DISCLOSURE

- 7) FastOne Global Financial Markets Ltd encourages you to check your equity runs (account position) daily to determine its accuracy and to report any errors. You are limited to 24-hours in which you can report errors contained in the equity run. If you do not understand how to read equity run. Please contact FastOne Global Financial Markets Ltd or our Customer Service Department for assistance. If your account is traded by someone (an agent) other than yourself, it is imperative that you check your equity runs as soon as possible to correct any errors. If you are not receiving or are unable to access your equity runs on a daily basis, even if someone else is trading your account, please contact us immediately: otherwise, we will assume you are receiving error free equity runs.
- 8) Most open outcry and electronic trading facilities are supported by computer-based systems for their order-routing, executing, matching, response times, security, registration, clearing of trades. As with all facilities and systems, they are vulnerable to temporary disruption or failure. In the event of a system or component failure, it is possible that you may be able to enter new orders, execute existing orders, or modify or cancel orders that were previously entered. You may also experience loss of orders or order priority. Your ability to recover certain losses as a result of such failures is limited by the system providers, the exchanges, the clearing firms & FastOne Global Financial Markets Ltd.
- 9) Accounts in which you have assigned someone else limited power of attorney to trade your account (“LPOA”), that account must only be traded by the POA and not by both you and your LPOA at the same time. This is to avoid confusion and mistakes between the two parties. If the Customer wants to trade his own account, he should open a second account and allow the LPOA to continue trading the first account or remove the LPOA as having authority to trade the account. FastOne Global Financial Markets Ltd is not responsible for trading errors or entries as a result of both parties trading the same account. LPOAs must be revoked by the account owner(s) in writing in order to be effective.
- 10) When you place an order through the trading/dealing desk of FastOne Global Financial Markets Ltd or its' employees, introducing brokers, white label partners the order may NOT be entered into your online order execution platform.
